

THE IM INITIATIVE:

Sponsor Form

The undersigned has responded to the IMI Call for Action, recognising the importance of, and is signing up to the Information Management Initiative for the built and managed environment. As an IMI Signatory, the organisation will, as a first step:

- Commit, appropriately and proportionately to the best of their ability, to enabling and supporting the principle of digitally transforming the whole of the built and managed environment by better through-life management of its data and information.
- Regard the aims of optimising value, health and safety, productivity, social, economic and environmental benefit across the built and managed environment as the key outcomes for embracing the IM Initiative.
- Move to understand why it is important to know:
 - The purpose of the data and information.
 - What data and information are needed.
 - Where to store the data and information.
 - How the data and information is shared and used.
 - Who has access to the data and information.
 - How the data and information are maintained.

You will then continue to engage with the IMI to move, as appropriate, through the IMI process.

In addition, as an IMI Sponsor, the Organisation will be pleased to **contribute £_____ to the IM Initiative**, to be confirmed by the IMI Management Team. This allows you to be recognised as a Sponsor for the next 12 months.
